Food For Thought Luncheon – with Speaker Roger Pilkington

In 2005 and 2006, Roger went to Peru on weeklong dental missions, with Alberta based Kindness in Action. Roger is not a dentist but provided volunteer support to the mission. Roger will share pictures of the dental work, then will give us a glimpse into his follow-up travels around Peru including trips to Cusco, Machu Pichu, Lake Titicaca, and Lima. Roger's talk will also highlight information about the Inca empire and culture and show some pictures of people who are ancestors of the Inca who live in the villages around Cusco, the capital of the Inca people.
